

Master's Message

Greetings Brethren,

The 150th anniversary of Grand Lodge is here and began with the Annual Communication.

Our Lodge will be having a First Degree (tentatively) on the 17th of February. WB Robert Chapman has volunteered to give his presentation about Benedict Arnold to the Lodge in the near future. We will also be presenting the patriotic Degree play, which consists of a dream Benedict Arnold had about returning to America from England. If anyone is willing to participate please contact our Secretary.

I would like to welcome Eastern Star to the building and let everyone know about the Eastern Star Smorgasbord on February 6th from 11:30am to 1:30pm. The cost is \$9.00 per person at the Oddfellows Hall.

The Planning committee for the 50th anniversary of Century Lodge has been formed; if anyone has ideas or suggestions, please contact the secretary or myself.

See you in Lodge,

Aaron D Heizer
Worshipful Master

From the Secretary's Desk

Brethren,

I hope you and your family had a wonderful Christmas and also hope that you were able to attend the Colorado Grand Lodge Annual Communications, January 27th through the 29th in Denver. We encourage all Master Masons to attend Grand Lodge. Many times our Brethren are unable to attend as it is out of town, but this year (and next) we have the privilege of it happening close to home. It is also Grand Lodge's 150th (sesquicentennial) anniversary and there will be many historical events this coming year, so stay tuned.

Some of our members have not yet paid their Lodge Dues. Please check to see if you have paid yours and have a Century Lodge No. 190 Dues Card in your possession. If you have not been to Lodge for a while and are worried that you may not remember many things, don't let that stop

you! We have many upcoming events in which you may wish to participate or just sit back and enjoy.

Besides degree work, the officers of Century will be in period dress from the Revolutionary War era in an upcoming meeting. This will take some time to acquire the costumes, but it will be a very patriotic and informative evening. When we present this program, there may be a meal beforehand and open to all our Masonic family. Details will be announced later.

Also, Benedict Arnold has been asked to return to Century to present "the rest of the story" as to what he did and why, and will be presented at a later date. When we have third degrees, a dinner will be served by one of the youth groups as we once did a few years ago. Until Century can afford

and acquire 3rd degree costumes, the officers will continue to present the degree in tuxes if they have one, otherwise a dark suit. As of this writing, Century will be presenting a 1st degree on February 17. As far as a meal before, that has not been decided yet. At our last meeting we voted on two brothers to affiliate with us from Occidental 20 and they are now 190 members. WELCOME BROTHERS!

DID YOU KNOW? Taps, the hauntingly beautiful bugle call, which signals the end of the day as well as the end of life for American service men, was composed by General Daniel Butterfield of Civil War fame. He was a member of Metropolitan Lodge No. 273, N.Y.C. It has since become known as "the call that bound the nation's wounds."

Who Said It? "The Second Day of July, 1776, will be the most memorable Epoch in the History of America It ought to be solemnized with Pomp and Parade, with Shows, Games, Sports, Guns, Bells, Bonfires and Illuminations, from one End of this Continent to the other, from this Time forward forever more."

See you in Lodge!!
