MASTER'S MESSAGE

Brethren:

As I write this, today being Christmas Day, I hope that everyone had a great day celebrating the birth of the Christ Child. I hope this day was filled with joy as you gathered with your family and friends. I hope that hugs were shared freely and "I love you" said often for we never know if that might be the last hug given or those words spoken. We will never know if another year or even a single day will be granted to us. Cherish each day.

I would like to thank our Worshipful Brother Jonas, Junior Past Master, for a great year. Your dedication to our Lodge over the past several years has been very much appreciated. Waiting for the birth of your new baby can be a nail biting experience, but I have no doubt it will be a glorious occasion. Congratulations!

I would like to thank my Installing Team. We had a great Installation preceded by a delicious meal. I am thankful that our full corp of officers were installed. It was so nice to see all the family members and friends attend the installation. We thank you for your support. What a wonderful way to begin a new year.

We will jump right into a 2nd degree on January 2, 2020. There will be a dinner before the meal at 6:30. It is always such a blessing to break bread with each other right before we exemplify a degree to a new candidate.

Grand Lodge is right around the corner. It would be awesome if Century Lodge could have a nice showing at this annual communication to be held in Colorado Springs on January 23, 24 & 25, 2020. Additional information is on the Grand Lodge Web site.

If you haven't been in Lodge for awhile, please come out and see what we are up to. If you need a ride, please contact our Secretary, Brother Robert Chapman so that we can arrange for that to be done.

Have fun celebrating the ringing in of the new year. Be safe. See you all in Lodge next year.

Fraternally,
Gary Lindblad
Worshipful Master

If you have not been to lodge for awhile return and renew your friendships and meet the new brothers that now part of our lodge and if you have any concerns or questions please contact any of our officers and we will be most happy to help you. The building purchase is still being discussed will be discussed again very soon. Our investments are doing very well and Brother Jerry Hager will let all of us know ASAP. I have several brothers who still need to get their dues to me soon. Remember Brothers, the dues are the lifeblood of our lodge and we all are family. If there is a problem let me know.
