MASTER'S MESSAGE

Dear Brethren,

I sincerely hope you all enjoy the coming holidays with family and friends. Let us bear in mind- 'tis the season to be grateful for what we have and to give unto others less fortunate than ourselves or unto those who are in sickness or distress. May we fill others with cheer, engendering a new year ahead, and may we always count our blessings.

The Installation of officers on the 15th went very well. Richard Schmidt, as always gave an indelible performance. The officers elect and their families were well in attendance. The newly elected and appointed brothers were photographed before installation in their black and white attire and their pictures have been uploaded onto Century's new website.

The URL address for the new website is <https://centurylodge190.club/>. Brothers please take time to visit the site and read through the text. Bring any editing remarks or changes you would like to see made to Lodge during our next regular communication. Together, we will make final changes to the site on January 3rd. After discussion I will declare the website to be launched. Trestle boards will be uploaded onto the site once it is up and running.

Most Worshipful Past Master, brother Jerry Hager will be giving a historical presentation on Madera wine the second meeting in January, the 17th, entitled, "How Madera wine set the state for and fueled the American Revolutionary War". This will be an educational and lively performance.

Have a wonderful, safe, and very merry Christmas and New Year's Celebration.

Fraternally,
WM Jonas Pearson

Freemasonry is 'veiled in allegory and illustrated by symbols' because these are the surest way by which moral and ethical truths may be taught. It is not only with the brain and with the mind that the initiate must take Freemasonry but also with the heart. – Carl H. Claudy

FROM THE SECRETARY

I wish everyone a Merry Christmas and a wonderful 2019.
