MASTER'S MESSAGE

Brethren;

Last month was very busy for Century. As many of us know, we have been communicating with the Oddfellows about possibly purchasing the Lodge building. A questionnaire has been drafted by our "Lodge Purchase Committee" and it has been passed along to the brothers in our lodge and also to the other appendant bodies within the building. The questionnaire aims at retrieving personal opinions on whether or not this purchase is the right option for everyone. If you have not received a copy of this questionnaire and would like to fill one out please email Jerry Hager at: jhager@frii.com.

The Most Worshipful Grand Master of Colorado joined us for our meeting on October 17th. MWGM, Ralph Newbie was accompanied by his long-time friend and PM Doug Hatten, who received his 35 year pin from Century. Mr. Hatten voiced his appreciation and was honored to have the Grand Master present his pin. MWGM Newbie talked about the Newsletter he has been working on this year and the wonderful information you can get from it and from the website of the Grand Lodge of Colorado. If you have not visited the site or received the Newsletters you can do so at coloradofreemasons.org.

This month I am very happy to announce that we will be putting on a first degree for Mr. Marshal Clinard on November 7th, at 7:30 PM. We will be having a dinner beforehand at 6:30 and JW Erik Vargas will be contacting brothers for reservations. Please come and support our new initiate. We have voted on the petition of Mr. Nick Malani to receive the degrees of masonry as well and we will schedule his first degree very soon, an exact date it to be determined. Lastly, we are waiting on the background check for Mr. Eliston.

During the summer months and into fall we have had over a dozen inquiries come in through our new website. I am glad to say it is working very effectively. Two of the three new petitioners found us online and I believe many more are to come. Hopefully we can continue to build membership and progressively engender a new generation to take interest and action within our fraternity.

Happy All Hallows' Eve Everyone!

Double, double toil and trouble; Fire burn and cauldron bubble. The Harvest Moon glows round and bold, in pumpkin shades outlined in gold, illuminating eerie forms, unnatural as a candied corn. Beware what dare crawls up your sleeve, for 'tis the night called Hallows Eve.

FROM THE SECRETARY

What a month November is! Daylight Savings Time Ends on November 3 (fall back), Veterans Day on the 11th. November 22, 1963, 56 years ago was when President Kennedy was assassinated in Dallas Texas. The answer for this months question is George Washington and James Madison. The subject of the purchase of the building has been presented to all of the masonic groups and the discussions have been very interesting but with no definite answers at this time. This topic is so very important there should not be a quick decision. At this time Century has 3 petitions in progress and I interviewed another potential man on October 12th. All of these men are younger and this is good so they can take our place "on the stage of life" as it should be! Would the Past Masters that do not have their pictures on our wall contact me some time soon. My wife and I recently returned from a trip from Salina Kansas where we had the opportunity to be escorted through the Masonic Temple that is a wonderful and beautiful building. It is 7 floors and in 1927 John Phillip Sousa was there and did the dedication of the building. I would suggest you take the time to find it and it is well worth your time. At our October 17th meeting we presented Brother and Past Master Doug Hatton with his 35 year pin and the Grand Master traveled with him and did the honor. Questions or December: What American frontiersman and mason was from Tennessee? What patriot and mason signed the Declaration of Independence was from Massachusetts? The 2020 dues notices have been sent out. Remember Brothers, Article V Dues: Annual dues are due and payable on or before the first stated Communication in January of each year. SEE YOU IN LODGE!

Fraternally
Robert Chapman, PM
Secretary
