MASTER'S MESSAGE

Grand Salutations Brethren,

My, how the time has flown by this summer! It seems like just yesterday we were preparing to go dark and now we only have a few weeks left before our next regular, stated communication. I hope everyone has enjoyed the summer months with family and friends and hopefully you all have made some time to relax and enjoy this beautiful state we live in— if you have managed to stay off the terribly congested interstates this may have been attainable!

I would like to inform you all that a select group of brothers and members of the CMHA have been invited to attend a meeting with Grand Master, Chad Parker, of the Grand Lodge of Colorado, IOOF, to discuss the possibility of purchasing the Lodge building! This is very exciting news as we have been working towards this goal for a long time. The meeting is scheduled for August 21st, at 6:00 PM. Developments and updated information concerning the meeting will be shared with everyone at Lodge.

Century's next stated communication will be held on Thursday, **September 5th, at 7:30 PM**. We are not putting on a first degree this meeting, I have decided to push the degree back to the second meeting in **September, on the 19th, at 7:30**, with a dinner beforehand at 6:30 PM. I have delayed the first degree so that we all have adequate time to get back on our masonic feet—square and on the level.

The summer BBQ will be on **August 24th at 12:00 PM**, bring a salad or a vegetable plate to share. Meat, dessert, and paper products will be provided. The BBQ will be at the residence of brother Gary Lindblad. His house is located at 11119 CR 76, Windsor, CO 80550, about 20-25 minutes away from downtown Greeley. Please contact brother Gary Lindblad at (970) 443-1939 if you plan on attending.

If money is your hope for independence, you will never have it. The only real security that a man can have in this world is a reserve of knowledge, experience and ability.

FROM THE SECRETARY

Welcome back Brothers of Century 190 to the 2019 and 2020 masonic year. I hope all had a most relaxing summer with your families and friends.....and also staying cool! Over the summer Century has been blessed with two items of very good news! The first is a brother mason and Past Master from another lodge bequeathed to Century Lodge 190 a very generous amount of money to be used toward our scholarship program. That amount has been deposited into our Edward Jones investment account and is \$10,000 dollars! The second "good " news is that I was contacted by the Grand Master of OddFellows and he asked if Century would be interested in purchasing the building that we all now lease. By the time this trestle-board gets to you, our Worshipful Master the board and others will have already met with him on August 21st! Details will be announced in lodge and as well in the October TB. I have mentioned this in several TB's and again will again, there are 8 brothers who still have not paid their 2019 lodge dues and I have contacted them all by letters and I have only heard back from one but he has not paid as of yet. As for the remaining 7, they also have nor responded. As of this TB, a Fellowcraft degree is planned for September 19th so attend lodge and show your support. Thank You to all the brothers for your support for me earlier this year while I was going through a very rough time with my health. At the time my thyroid was really off as well as my arthritis in my lower back was very painful and since then, I have had an and injection which has blocked the pain. The thyroid is back under control with medication and I am so glad. Believe me when I say, your thyroid is very important! As of now, Brother Past Master Doug Hatton will be in lodge on October 15, 2019 to receive his 35 year service pin and he will be driving from Pueblo for this occasion. Here is a United States history fact for all: The word "democracy" does not appear once in the Constitution. When did Benjamin Franklin die and at what age? See you Lodge

Fraternally,
 Robert Chapman- Secretary
 Secretary Century Lodge #190
