MASTER'S MESSAGE

Brethren;

As we enter February, I am pleased to announce that we have a new Entered Apprentice. The brothers of Century 190 put on a great first degree on January 17th, and the new candidate Joshua Tefft, became a mason. Hopefully membership will continue to progress in the months to follow.

I want to remind the officers and brothers who are attending lodge that I will be absent at the first meeting on **February 7th**. Brother Senior Warden, Gary Lindblad, will be stepping in as Master, and as we are aware of his fine capability of sitting in the East we can be ensured of a well stated, regular communication.

On February 21st, MWPM Kevin Townley will be giving a presentation entitled, "An Exploration of Ontology, The Nature of Being." The presentation will delve into elevated tiers of consciousness and explore areas that exist outside of our general levels of awareness. Townley is a wonderful speaker and I encourage attendance for all those interested in understanding masonry on a deeper level within themselves.

The budget committee met this past week to discuss finances for the upcoming year. The lodge will be able to afford all regular expenses as per usual, however, we no longer have the funds available to support many of the activities and programs which we have supported in the past. The programs I am most concerned about continuing to sponsor are the annual scholarship awards, the child ID program, and providing funds for at least one band camp student. In order to maintain these very important and charitable deeds the budget committee and the brothers regularly attending Lodge have suggested raising membership dues by \$5.00. The secretary will be sending out a notice to all brothers with more detail concerning this very important topic.

"Men lose all the material things they leave behind them in this world, but they carry with them the reward of their charity and the alms they give. For these, they will receive from the Lord the reward and recompense they deserve." -Francis of Assisi

Fraternally,
Jonas Pearson WM

For Your Information: As most of you know, Bethel #10 Job's Daughters International of Greeley, Colorado has been struggling with membership for several years and therefore were under re-organization status. Unfortunately, because the Bethel did not meet the requirements needed, the Grand Guardian of Colorado revoked the Charter on January 23rd. We are sad that Greeley no longer represented by any Masonic Youth Organizations. Rainbow Assembly #2 of Ft. Collins does meet in our Hall, on the 1st and 3rd Mondays at 7:00 pm. Please support our Rainbow girls. Thank you.

FROM THE SECRETARY

First I want to thank all the brothers who donated cash or food items our widows at Christmas time. With the cash and food donated, this was the best year we have had for our ladies Thank you Also I want thank all who wished for me to recover from my illness. I stayed away from the last meeting in January because I did not want to "share" the crud that I had. Grand Lodge is January 24-26 in Colorado Springs this year at the Hotel Elegante. It is worth the experience to attend at least one time if you can go. I have been many times and this year I will be attending a Secretary Work Shop on Thursday. As your Secretary I will be sending to "all" Century members in the next 30 days official correspondence that is very important so open and read immediately. On January 17th we initiated Brother Joshua Tefft. Brother Jerry Hager will be his coach and thank you Brother Jerry for stepping forward! At our next meeting on February 7th, Brother randy Miller, our Chaplin, will receive his 40 year pin. He became a Brother on January 13, 1979, and he only has 10 more to go for his 50,! Century Lodge By-Laws, Article V, Dues- each member shall pay to the Secretary the Annual Dues which are payable on or before the first stated Communication in January of each year. I have e-mailed the Brothers whom I have e-mails for and sent letters to who do not to let you know. I understand that family and the holidays came first and you may have forgotten until now but please remember your Blue Lodge commitment. First question for 2019: Where is the following found? At your leisure hours, that you may improve in Masonic knowledge, you are to converse with well informed brethren, who will always be ready to give, as you will be ready to receive, instruction.

See you in Lodge!
 Robert Chapman, PM
 Secretary Century Lodge #190
